“SERVING YOUR GENEALOGICAL NEEDS SINCE 1983”

Dear Prospective Member:

Why become a member of Gallia County Genealogy Society, OGS Chapter, Inc.?

Our OGS Chapter is a very active group with the primary goal of helping you with your Gallia County genealogical research needs. You can write, call or email us, and we will get back to you right away with ways to help or suggestions about your research. We will meet with you when you visit to help you find local records or to review your records.

We have an annual help event for both children and adults to help with 4-H and Scout projects and lineage society applications. We actively participate in OGS functions and events. Each October we have a lineage society banquet for our three different societies.

We have a quarterly newsletter, “Gallia Crossroads and Cornerstones”, and we provide a super website for your use... galliagenealogy.org. Here you will find tombstone information, birth records, many photos, history items and an index to “Hardesty’s History of Gallia County”. It is a work in progress and we welcome your contributions and input.

Dues for membership run from January 1st to December 31st, although they will be accepted anytime throughout the year. Members will receive all the newsletters for the year in which they join.

- Dues for individuals (any two people at the same address) is \$10.00.
- Dues for families (more than two) living at the same address is \$15.00.
- Life membership is \$200.00.
- Library and/or business membership is \$15.00.

You can make your checks payable to Gallia County Genealogical Society, OGS Chapter, Inc. and mail to PO Box 1007, Gallipolis, OH 45631-1007.

Dues will allow you to continue as part of or to join First Families of Gallia County, OGS, Est. 1990, Civil War Families of Gallia County, OGS, Est. 2004, and Settlers and Builders of Gallia County, OGS, Est. 2006. If you are already a member, you may continue to add more ancestors to any of the three organizations at no additional charge. If you want to join any of the lineage societies, in addition to membership in the Genealogical Society, you will need to submit an application and a fee of \$15.00. These are growing societies with First Families, started in 1990, having 705 members with 761 ancestors. Civil War Families was started in 2004 and has 154 members with 166 soldiers. Settlers and Builders started in 2006 and has 97 members with 328 ancestors.

We look forward to serving all of your genealogical needs, providing the books which we have created to help with your research and answering your genealogical questions. We welcome your queries, articles and news for our newsletter and items for our website.

Sincerely,
Henny Evans, President
Gallia County Genealogical Society, OGS Chapter, Inc.
